John Wiley and Sons Ltd, United Kingdom, 1999. Hardback. Condition: New. 1. Auflage. Language: English . Brand New Book. New Managerial Mindsets Organizational Transformation and Strategy Implementation In order to make sense of the new frontier of business, which entails rapid and unpredictable changes, strategic discontinuities, economic uncertainties and hypercompetition, new forms of managerial thinking will be required. The new thinking, or a managerial mindsetsa need to be global in orientation and allow strategic and structural flexibility in an integrated way. A major part of staying ahead in the new business climate will depend on organizations having the capability to create and implement strategic and structural changes that entail continuous technological improvements, particularly in the area of IT. While the importance of IT to business is widely recognized and reported, organizations still have difficulty in harnessing its true potential, namely, the ability to transform industries and markets. Flexible organizational networks that build and share the knowledge of its employees, suppliers, customers and competitors and keep pace with technological advances are the way in which companies with completely new mindsets will stay one step ahead. The editors have selected contributions that address two major themes of this new business environment and the means of managing strategically within it. Part I: Interconnected Thinking: Managerial Mindsets, Information Technology and Organizational Change looks at the shared, interconnected mental framework required throughout a firm's managerial ranks. It is based on sensemaking that represents an intangible structure in the firm. IT supports sensemaking and, thus, managerial mindsets through linkages in a managerial network and the information that flows through this network. IT is particularly important for development and the implementation of strategy and provides a form of structure to organizations. As such, IT and strategy must be aligned. Through the structure and the information that...
