By Wythe Williams

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Passed by the Censor, the Experience of an American Newspaper Man in France At the outbreak of the European war, the author, who was then stationed in Paris as the correspondent of the New York Times, was refused, with all other correspondents, any credentials permitting him to enter the fighting area. He entered it later, immediately after the battle of the Marne, with what were in Paris considered sufficient credentials. But he was arrested, returned to Paris as a prisoner of war and lodged in the Cherche Midi prison, the famous military prison, where Dreyfus was confined. He was released upon the intervention of Ambassador Herrick, but still baffled in getting to the front as a war correspondent, he volunteered for service in the Red Cross as an orderly on a motor ambulance. A few of the descriptions in the following pages are written from notes made during the two months he remained in that service. Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
