Brand New Book ***** Print on Demand *****.Excerpt from Religious Studies for Laymen: Studies in Theology Three things are attempted in the present revision of the First Series of Studies in Theology. First of all the arrangement of the chapters has been changed. The purpose has been to secure, if possible, a more consistent order in the presentation of subjects. It has been difficult to do this because each lecture was first given entirely independent of the others, and therefore had no necessary logical connection with them. The purpose only was to consider related lines of thought in order to secure a point of view from which to take up later some of the problems suggested thereby. The present attempt to secure a logical order can be but imperfect for the reason that no such order originally existed. In the next place, there has been a careful revision of the text itself. The main criticism passed upon the earlier work, so far as I can judge, has been that the language used was too much that of the text-book and class room. I have...

Reviews

A fresh e-book with a brand new standpoint. Sure, it is play, nevertheless an interesting and amazing literature. Its been printed in an extremely straightforward way and it is just soon after i finished reading this pdf where in fact modified me, change the way in my opinion.
