Andrew Ramer acts as a messenger for the saints and angels who have spoken to him since childhood, and his precise, fascinating, and hopeful revelations provide a dynamic new vision for all of us on this endangered planet. His mythic account of the human journey through time is anchored in practical spiritual guidance for living in the world. Offering insights on death, evil, love, and transformation, these words are an invitation to us all to embrace our chosen destiny as co-creators of heaven on earth.
