Forgotten Books. Paperback. Condition: New. This item is printed on demand. 78 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Excerpt from How to Study the Old Testament The aim of this course of study is to enable each student to gain a clear, comprehensive and proportionate knowledge of the chief characters, events, movements and ideas represented by Old Testament history, and to secure a birds-eye view of Old Testament literature and thinking. (For example, section 33, page 25.) These questions are carefully formulated in order to direct the Bible reading of the student and to save his time. If every question is answered thoughtfully from the Bible, and if the incidental references are looked up, the student cannot fail to gain a complete working knowledge of the subject. At the end of each lesson additional reading references are given which are entirely optional and are intended for...
