Casey, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Our country was built on a strong foundation imagined from men of the late Eighteenth Century. Many of their lofty ideals and goals are just as needed today but have been perverted by over two hundred years of self interested wealthy men and corporations. The idea of democracy held together by a republic is crumbling. Not because it isn't a viable idea but because the factions that would be covert monarchies are ruling behind a veil of deceit we call the Judicial Branch of our Government. History has shown us that the only way to change government is to overthrow it. Ghandi and Mandela have shown us that it is possible to affect change if you are willing to stand up, sit down or go to jail for what you believe. Violence is not necessary but commitment is. Instead of bullets, all Americans need do is vote. Vote while you still have the power to do so. It is time for the Democrats and Republicans to face a new Party. The Statesman Party begins here with these ideas and this focus. Let's us write a new chapter in American strength and leave our country and the world a better place for our children. It is our duty and responsibility.
