It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the second book of Cecil. If you have read the first book The Adventures of Cecil the Scovery you will know that these are books for children and soppy grown-ups. In this story Cecil goes to South America on a rescue mission. He meets a load of new characters and makes many friends. There is a cat whose name is Cat and the guys from the special services who are all smart army Landrovers. The leader of the kidnap gang is Pedro Gonzales a psychotic and incompetent, Bishimatsu with one head-lamp and a leaking radiator. We then meet a moaning Clonkmobile and an ancient London taxi with hearing problems and many more characters including a greedy vulture, an ex-warthog and a henpecked python. Altogether a super read.
