Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Night Swimming Press. Paperback. Book Condition: New. Paperback. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. From the Introduction: . . . this book is being written for the beginner practitioner. I will assume your knowledge of the subject is limited and will thus offer a simple, step-by-step guide to leaving the body. Although astral projection is often used as a catch-all term for any conscious activity occurring outside the body, throughout this work I will make a clear distinction between etheric projections and astral projections (etheric projections being the most common, at least for me). By applying the same techniques I use, I believe that anyone can achieve the out-of-body state on a regular basis and with their full critical faculties intact. Surely if I can do it, you can do it (if you really want it). It is only a matter of conditioning, allowing yourself to see the door that you never noticed, to realize the freedom that you never knew you had -- to edge pass the threshold and beyond matter.
