By Alfred Sheldrick

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Four Sermonettes: Or Prophecy Fulfilled in the Great European Conflict and Evan Roberts New Message to the World The reader will understand when reading my messages that they were given to me at a particular time in my religious experience. I have written at full length on the Welsh revival in the third sermonette because Mr. Roberts has had two great messages to the world, the later one being of great importance during the present world crisis, and I give a full account of a rapturous experience he had which resulted in that revival. My experiences were just the same, lasting 2 years, just as long as my physical strength would last, and instead of mine resulting in a great revival, God gave me a great panorama view of events which must take place at the approaching end of this age.
