Greenthink: How Profit Saves the Planet (Paperback)

By Rick Fedrizzi

Disruption Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Rick Fedrizzi is the most important environmentalist you've never heard of-and Greenthink is his manifesto. A former Fortune 50 manufacturing executive, Fedrizzi became a leader of the modern environmental movement when he played an instrumental role in creating the most important and far-reaching sustainability movement of our time: the green building movement. Today, Fedrizzi's work and ideas are transforming the real estate industry, one of the largest sectors of the global economy, and one of the largest contributors to climate change. As a co-founder of the U.S. Green Building Council, Fedrizzi oversaw the creation of LEED-Leadership in Energy Environmental Design-which has certified more than four billion square feet of sustainable real estate worldwide. According to Paul Hawken, a legendary environmentalist, USGBC may have had a greater impact than any other single organization in the world on materials saved, toxins eliminated, greenhouse gases avoided, and human health enhanced. But that's only half the story: the green building industry has also sparked billions of dollars of economic impact and created millions of jobs. This stunning revelation-that sustainability is profitable-is at...
