Reviews

Totally among the best ebook I have ever go through. It can be rally exciting throgh looking at period. Its been printed in an extremely straightforward way which is just soon after i finished reading this pdf by which actually transformed me, change the way i believe.

(Mr. Mervin Walsh)

HOW TO MAKE ART

Pavilion Books. Paperback. Book Condition: new. BRAND NEW, How to Make Art, Mel Elliott, 'Every child is an artist; the problem is staying an artist when you grow up' - Pablo Picasso This isn't your usual art manual. It's for big kids everywhere everyone who loved getting covered in paint and glue at school and would secretly love to do it more often. It's also for people who love pop culture: comedy, trashy TV, great TV, pop videos, pop stars and pop music. And not only does it help you harness your inner creativity, it's also a lot of fun! Mel Elliott, doyenne of the cool colouring book and the crazy paper doll, imparts the secrets of her expertise, giving you in-depth tutorials on how to create funky collages, make cool wonky lettering, paint the skin tones of the stars and much, much more. With more pop culture references than you can throw a Justin Bieber CD at, this book will have you drawing, painting, cutting and colouring before you can say 'Welcome to Pawnee', using your newly learned skills and indulging your own personal tastes to create works of art to be proud of. After all, how better to learn to paint than by painting Kate Moss? Word count: 15,000.
