MAJORCA: THE SCREENPLAY

Black Coat Press, United States, 2004. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When a young American couple on vacation arrive on the Mediterranean resort island of MAJORCA, they become involved in a deadly cat-and-mouse game with the local colony of expatriates that involves clandestine affairs, bondage - and murder! Under the island's searing sun, finding out who's the victim and who's the perpetrator quickly becomes a game of life and death. Steve Englehart is a prolific author of books and comic books, including *The Point Man* and *Countdown to Flight* (a biography of the Wright brothers), and dozens of popular characters such as *The Batman*, *Captain America*, *The Silver Surfer*, and his own creation, *Coyote*. His *Night Man* became a television series. Englehart has also worked on animated series such as *Team Atlantis* and *GI Joe*, and as a game designer for Disney, Electronic Arts, Sega, and Sony. In film and television, thousands of fine scripts by established writers are never produced. The Black Coat Script Library is dedicated to presenting some of those scripts.
