Filesize: 7.08 MB

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Morris Cruickshank)

MOUTH SEWN SHUT (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Stitch by stitch. A young artist is confronted by all too realistic hallucinations and is thrown into a dark world where the line between reality and delusion is removed. His visions take a grisly turn when they reveal his closest friend Trey engaged in the bizarre ritualistic torture of mouth sewing. Odder still, Trey's victim is always the same mysterious young woman, a woman who went missing a decade before. Driven to learn more about Trey and the woman who was his victim, the young artist takes on an odd quest; he begins to follow the clues offered during his hallucinations. Some clues direct him to visits with Duffy, Trey's drug-dealing mother. Duffy, an eccentric ex-hippy, lives in Wayne Manor, the famed Pasadena estate used in the old Batman television series. Long estranged from her son Trey, she leads a hedonistic lifestyle while caring for an elderly, drug-addicted, exhibitionist-millionaire. Much later, and with Duffy's help, the elderly addict, manages to shed light on the truth about Trey. Other clues send him on dreamlike romps through the streets of Los Angeles, the beaches of Santa Monica, and others direct him inward, toward his own illustrations, which begin to taunt him during moments of weakness. Against his will, a deep hatred for his former friend Trey grows, all while the visions become more graphic and cruel, until the young artist is led toward an insatiable desire to harm Trey in retaliation. Mouth Sewn Shut offers a rare, first person glimpse into the horrific, yet slow onset of psychosis and homelessness, the frivolous nature of the art world and of tightly held family secrets, all through one man's eyes. A world...
