MUSORGSKY AND HIS CIRCLE: A RUSSIAN MUSICAL ADVENTURE (HARDBACK)

FABER FABER, United Kingdom, 2013. Hardback. Condition: New. Main. Language: English . Brand New Book. The extraordinary group of Russian composers who came together in St Petersburg in the 1860s - long known as The Mighty Handful , but, as the moguchaya kuchka, better translated as the great little heap - gave rise to one of the most fascinating and colourful stories in all musical history. Stephen Walsh, author of a major biography of their direct successor, Stravinsky, has written an absorbing account of Musorgsky and his circle - Borodin, Cui, Balakirev and Rimsky-Korsakov. With little or no musical education they created works of lasting significance - Musorgsky s Boris Godunov, Borodin s Prince Igor and Rimsky-Korsakov s Sheherazade. Written with deep understanding and panache, The Kuchka, is highly engaging and a significant contribution to cultural history.
