

Prepared for Disaster: A Practical Guide to Preparing for Disasters and Emergencies (Paperback)

By Steve Neill

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Prepared For Disaster is written with the average person in mind -- someone who wants to be better prepared for a disaster but isn't sure where to begin. The book is a primer to get you introduced to the fundamentals of disasters and disaster preparedness no matter where you live. The author has real-world experience of working in disaster zones around the world and has trained with many disaster response organizations in USA, Europe and Asia. Disasters usually happen without warning. In many parts of the world they are a regular fact of life. They can strike a community at any moment, day or night. A normal day can quickly turn ugly and be like no other you've experienced. Within seconds, your whole world is literally shaken by an earthquake leaving incredible devastation in its wake. Buildings collapse leaving scores of people buried beneath the rubble of their homes and places of work. All of a sudden panic breaks out, leaving people bewildered and confused. How is this happening to us, to me? How far could you drive to...
