Each of us has a Guardian Angel--a companion and lover who waits just behind the images that flood our minds during sleep or reverie. A protector and guide who disguises as the individual with whom we fall in love; an ideal lover who has adored us since the beginning of our individual existence and who will never abandon us until the instant we merge our being into Absolute Godhead. This book offers the student of Western Tantra the knowledge and inner truth that has been hidden from us since conception. This is a new and expanded edition wherein you will find a wealth of practical and passionate Tantric techniques utilizing the archetypal images of the Tarot. Nothing is held back. All of the methods are explicit and clearly described.
