

Stravinsky: A Creative Spring, Russia and France 1882-1934 (Paperback)

By Stephen Walsh

University of California Press, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Widely regarded as the greatest composer of the twentieth century, Igor Stravinsky was central to the development of modernism in art, yet no dependable biography of him exists. Previous studies have drawn too heavily from his own unreliable memoirs and conversations, and until now no biographer has possessed both the musical knowledge to evaluate his art and the linguistic proficiency needed to explore the documentary background of his life--a life whose span extended from tsarist Russia to Switzerland, France, and ultimately the United States. In this revealing volume, the first of two, Stephen Walsh follows Stravinsky from his birth in 1882 to 1934. He traces the composer's early Russian years, laying bare the complicated relationships within his family and showing how he first displayed his extraordinary talents. Stravinsky's brilliantly creative involvement with the Ballets Russes is illuminated by a sharp sense of the internal artistic politics that animated the group. Portraying Stravinsky's circumstances as an emigre in France trying to make his living as a conductor and pianist as well as a composer, Walsh reveals the true roots of his notorious...
