When a hurricane roars through Lacey Armstrong s home on the coast of Barefoot Bay, she decides all that remains in the rubble is opportunity. A new hotel is just what Mimosa Key needs, and Lacey and her teenage daughter are due for a fresh start. And nothing, especially not a hot, younger architect, is going to distract Lacey from finally making her dreams a reality. Love has already cost Clay Walker everything. And if he s going to have any chance of picking up the pieces of his life, he needs the job as Lacey Armstrong s architect. What s not in the plans is falling for the headstrong beauty. Her vision of the future is more appealing than anything he could have ever drafted for himself. Will Clay s designs on Lacey s heart be more than she can handle, or will she trust him to build something that will last forever?.
