BISCUITS AND WEE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Iris Fairlie is proud and prickly, but increasingly unable to cope with independent living. Against her every desire she is moved into Bridge House, a home for the elderly, where a constant round of confectionery seeks to compensate for the lapses of old age; there is an all-pervading aroma of biscuits and wee. Iris sulks in her room and rebuffs advances of friendship from other residents; poor, lonely Mr Goldstein who waits every day for visitors who don't arrive; loquacious Pearl Baker, lost on an interminable loop of inconsequential diatribe. Iris resists the blandishments of the piano-playing spinster, the happy-clappy evangelicals, the raffia-weaving WI, all determined to distract the hapless residents from the inevitable terminus of their slow demise. But in her new surroundings she is forced to see herself differently, honestly. She is old. Life is over. What has she achieved in this life to which she holds with such stubbornness? Where, amidst the work and weariness, the pride and resignation, were the warmth, the love, the laughter? What is it that separates her from her daughter? Why can't they talk about things? The answer to all these questions seems to be her wayward son, her lost boy, missing for years on some quest she never understood. Witnessing by chance the tumble of a young boy into a racing river, Mrs Fairlie is galvanised at last into action; if she cannot rescue her own boy she will try to rescue this one. Little Mikey's fall pulls Iris into the maelstrom of his fate, along with Matt, Megan and his Auntie Jade, whose stories are featured in books 2, 3 and 4 of the Lost Boys...
