THE JOURNEY THAT WAS AND IS OF THE TRINITY: COLORING BOOK (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Enjoy coloring and learning about the Trinity at the same time. Other drawings of special people are in this coloring book. Add your own personal touch of color to the art in this book. A flow chart on all of creation is shown that helps to explain the Trinity. God, Jesus, and the Holy Spirit, which makes up the Trinity, can be thought about while coloring this book. But, ideally it illustrates some of Trinity aspects in the Bible. The Bible inspired me to do this coloring book. So, take out your Bible, read, and color away. A kindle book version is available for purchase with the full scripture quotes looked up and displayed for you. With the kindle version you can read on a device while you color the coloring book.
