

Free Traffic: For Broke Marketers (Paperback)

Filesize: 6.52 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

FREE TRAFFIC: FOR BROKE MARKETERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here s how it goes with most new marketers - it happened to me exactly like this - see if it rings a bell with you. It might even be that this is the stage you re currently at. I quickly realized the potential of internet marketing. Not least because I could see people around me making a lot of money, or at least making more than enough to quit work and go full-time. The initial excitement I felt has never left me. I vividly remember working late into the night creating my first ebook, then once that was finished the REAL work began - learning how to build a simple website, use a hosting account, register for Paypal and Clickbank, my files to my hosting account, put a payment button (that actually worked) in the right place on my website and struggle to write a half decent sales page. Once it was ALL done, my website went live and I waited to get rich.
