HarperCollins Publishers Inc, United States, 1997. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A gentle and age-appropriate introduction to two key issues of our time--hunger and homelessness--from a kid's point of view. This empathy-building book is good for sharing at home or in a classroom. A boy wonders about the people he sees on his city's streets until he goes to the soup kitchen where his uncle works. The varied needs of the individuals there become clear to the young narrator. The watercolors use earthtones and careful detail to illustrate aptly the warm, friendly story, according to The Horn Book. Recommended as a resource for teachers and librarians to build a connection with their local community and the school, as well as a way for any adult to help foster a conversation and respond to a child's natural curiosity.
