Reviews

*This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
(Prof. Mark Ratke Jr.)*

PRACTICAL WATCH REPAIRING (3RD)

Sterling Juvenile. Paperback / softback. Book Condition: new. BRAND NEW, Practical Watch Repairing (3rd), Donald De Carle, E A Ayres, The absorbing and everlasting subject of watch repairing has been dealt with in books in many languages throughout the years. But when de Carle first set out to write "Practical Watch Repairing" in 1946, it was with the intention of creating a textbook "that a watchmaker can understand, even if he can't read." With over 550 instructional black-and-white illustrations and an approach that assumes no prior watch-repairing experience, this book achieves and surpasses that lofty mission, and has been touted as "the best illustrated book on practical horology" ("Horological Journal") ever written. For the readers in his audience, de Carle has provided well-informed discourse on every topic a watchmaker, or aspiring watchmaker, needs to know. With "Practical Watch Repairing," even a layman can become a watch-repair specialist.
