

The Birds Of Canada

By Alexander Milton Ross

Marton Press. Paperback. Condition: New. 168 pages. Dimensions: 8.4in. x 5.5in. x 0.5in. PREFACE TO THE FIRST EDITION The object in presenting this volume to the public is in some measure to supply a want long felt by those interested in the study of Canadian Ornithology. This work is simply, as the title page states, a description of the plumage, habits, food, song, nests, eggs, times of arrival and departure of the birds of Canada. The birds described consist of the permanent and summer residents, and also such birds as regularly or accidentally stop in Canada during the spring and autumn migrations, I have in my collection a specimen of each bird described, except a few of the sea birds that frequent the coasts of New Brunswick and Nova Scotia. The information given as to the food and habits of our birds may probably interest and benefit the agriculturist. The great majority of our feathered visitors are insectivorous, and consequently good friends of the farmer, who should extend his protecting care to these little insect-destroyers. Many of our Canadian birds are extremely interesting and, in beauty of plumage and sweetness and variety of song, equal, if they do not surpass,...
