Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Poe had reviewed Barrett Browning's work in the January 1845 issue of the *Broadway Journal* and said that her poetic inspiration is the highest - we can conceive of nothing more august. Her sense of Art is pure in itself. In return, she praised *The Raven* and Poe dedicated his 1845 collection *The Raven and Other Poems* to her, referring to her as the noblest of her sex. Her poetry greatly influenced Emily Dickinson, who admired her as a woman of achievement. Her popularity in the United States and Britain was further advanced by her stands against social injustice, including slavery in the United States, injustice toward Italian citizens...
