ILEAD: WHEN WILL IT BE YOUR TURN TO CUT DOWN THE NET?

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.If you re a manager, leader, supervisor, vice president or director of a department, and you find yourself saying, . .if only I could consistently get my team motivated and engaged in the day-to-day operations in relation to the big picture as I am, so we can all work better together and be successful in our business and projects., then this is the book and workshop for you! This book, iLead, the i is about where leadership begins, inside of you. It s the inner game of leadership that needs to be mastered first before you master the outside. So why read this book? Our hope is that through this cutting edge information, relatable stories and actionable exercises, this book will positively impact your life by giving you a sense of certainty going into any project and knowing that you have a blueprint to succeeding within any team. This impact will have, not just short term rewards, but long term career impact because you will build upon the skills learned and continue to apply our basic concepts that will anchor great leadership skills. And success breeds more success. What develops is a sense of deep confidence to tackle any project or challenge. Bottom line, the symptom of your newly developed leadership skills are more lucrative projects, increased financial rewards, an improved lifestyle, and a feeling of security that you can count on. Your corporation, company, or business is not just an organization, it s more like an organism. The nutrients that feed this organism and that make up a modern effective leader are the six modules or chapters in this book. We use the term nutrients because like...
