

Latin American Business: Equity Distortion in Regional Resource Allocation in Brazil (Hardback)

Filesize: 1.34 MB

Reviews

Extensive information! Its this sort of great read through. It is amongst the most incredible book i have go through. I realized this publication from my i and dad suggested this book to understand.
(Prof. Devon Bernhard PhD)

LATIN AMERICAN BUSINESS: EQUITY DISTORTION IN REGIONAL RESOURCE ALLOCATION IN BRAZIL (HARDBACK)

Taylor Francis Inc, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book. Examine the costs and benefits of fiscal wars between Brazilian states Latin American Business examines Brazil s use of fiscal incentives to attract investors to help remedy disparities in the country s regional distribution of income. Since the 1990s, individual Brazilian states have taken the initiative in trying to lure domestic and foreign firms to locate within their borders, targeting the automotive industry, textiles, and shoe production. But their efforts have led to mixed results and questions about whether these fiscal wars have been legitimate attempts at regional economic development or simply a distortion in the allocation of resources. This insightful collection of case studies and essays sheds considerable light on the issue. For several generations, the notion has been debated both in advanced industrial countries and in developing countries that regional differences in income will gradually be eliminated as poor regions (where money is scare but labor is not) benefit from the inflow of investments. In reality, this has rarely happened; Latin American Business examines why that has been the case in Brazil. The book s contributors fuel this continuing debate, analyzing topics that include Bahia s efforts to attract a Ford plant, the Mercedes-Benz project in Juiz de Fora, the case of Renault in Parana, fiscal incentive programs in Pernambuco, and the tax incentive policies of Ceara. Latin American Business includes: * an evaluation of the costs and benefits of federal and state incentives given to Ford Motor Company to attract a plant in Bahia * an analysis of the use of state and municipal incentives by the state of Minas Gerais in dealing with Mercedes-Benz Corporation * a look at Parana s agreement with Renault and the degree to which it has...
