Lets Go Publish!, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book contains the history of the Constitution; as well as its full text with annotations. It highlights the story of the fight to assure its ratification as the governing document for the new United States. This is your first book to read to help make the great words of the Constitution ring forever in your ears. We begin with the thinking of the major patriots who wrote this document-men such as Hamilton, Jefferson, and Madison, et al. The book then moves on to the purpose of the Constitution; how it came about, and who the writers actually were. You will learn why the Constitution is the most famous written document of all time. The patriot founders so properly named it: The Constitution of the United States of America. We are the lucky ones for sure as this is the definition of our democracy! From this book about the Constitution, you will learn about your rights and freedoms by reading this great document. Understanding the Constitution is the best thing you can do to understand your role in assuring our great form of government well into the future. This effort resulting from the combined work of Hamilton, Jefferson, Madison, and others is the best starter book for anybody wanting to refresh their knowledge or learn about the US government and its most basic structures and laws. This book is designed to help you be better prepared to react to the over-reach of corrupt politicians in our age, at the highest levels of government. Just because powerful people for too long a time have chosen to ignore our rights and freedoms does not mean we must endure continual tyranny. The first step of...
