Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Memoirs of Goethe I had constantly before my eyes, at home, a collection of views in Rome, with which my father had ornamented an antechamber. These engravings were by one of the predecessors of Piranesi, a celebrated engraver, equally skilful in the representation of architectural subjects, and the choice of fine perspectives. In these I daily contemplated the Piazza del Popolo, the Coliseum, the square and church Of St. Peter, the interior and exterior of that grand monument, the castle of St. Angelo, c. These Objects impressed themselves on my memory. My father, who in general spoke but little among us, nevertheless condescended sometimes to describe them. He was enthusiastically fond of the Italian language, and of every thing relating to Italy. He had brought from that country a small collection of marbles.
