

Nutrionics: Introduction to Elemental Pairs (Paperback)

By Joseph R Scogna Jr, Kathy M Scogna

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Elements and Alchemists; the Science of Light and Energy and Similar We humans are composed of the elements, those metals and gases that formed our home planet, Earth, so many eons ago. Researchers thru the ages wanted to understand the hows and whys of life; the early alchemists studied the elements and laid the groundwork for our science and religious philosophies of today. As more elements were discovered in the late 1700s, the homeopaths cataloged the symptom patterns these caused, long before there was an industrial use for them. When that use came, factories spewed forth noxious combinations of chemicals and frequencies into the air, creating those very same symptom patterns. Scogna s quest: To find a way to help humankind navigate the perils of living in a body at this time and space on Earth so that we can find contentment and appreciate the enjoyment of life. In Nutrionics, Scogna shares what he learned about the energetic science of light and energy (physics), about the pairing of elements and symptom patterns (homeopathy), and what he discovered about the inner workings of..
