PROFESSIONAL EXPRESSION: TO ORGANIZE, WRITE, AND MANAGE FOR TECHNICAL COMMUNICATION (PAPERBACK)

Momentum Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Technical topics in science and engineering always present challenges when it comes to conveying or arguing information in a clear and effective manner. This book was written to address that challenge, using time-proven techniques developed by the author for academic courses and onsite training programs he has used for several decades at engineering schools, design and professional conferences. Based on a dictionary that was developed for engineers and technicians at Lockheed Martin. Each definition written in clear, everyday English to avoid confusing jargon and techno-speak problems.
