Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

Verso Books. Paperback. Book Condition: new. BRAND NEW, Public Sphere and Experience: Analysis of the Bourgeois and Proletarian Public Sphere, Alexander Kluge, Oskar Negt, The "public sphere" is a key concept in political discourse, designating a space for political action. But is this a single authoritative and universal space in which various positions compete for recognition, or does it consist of multiple local spaces spread over diverse collectivities? In Kluge and Negt's groundbreaking book they examine the material conditions of experience in an arena that had previously figured only as an abstract term: the media of mass and consumer culture. With new, up-to-date introduction from Alexander Kluge.
