SOFTWARE TAKES COMMAND (PAPERBACK)

Continuum Publishing Corporation, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Software has replaced a diverse array of physical, mechanical, and electronic technologies used before 21st century to create, store, distribute and interact with cultural artifacts. It has become our interface to the world, to others, to our memory and our imagination - a universal language through which the world speaks, and a universal engine on which the world runs. What electricity and combustion engine were...
