THE COSMOPOLIS CITY CLUB (CLASSIC REPRINT)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Cosmopolis City Club The publication in the Century Magazine, of the following narrative brought me a great many interesting letters from all parts of the country. In several cities, as it appeared from this correspondence, movements not unlike the one here imagined were already in progress. From one of the cities of the Empire State came the report which follows: In 1890 a small number of the citizens of this city formed a Law and Order Alliance, having for its object the idea expressed in the Cosmopolis City Club; but unfortunately there was no one who could outline a practical plan for accomplishing any good work. There were several members who advocated radical measures, similar to those entertained by Mr. Frambes, but others counseled moderation, deprecating the policy of taking upon themselves the duties of detectives and policemen, and yet unable to suggest any other practical method.
