Brand New Book ***** Print on Demand *****.Chester Peyton, the Marquess of Astwick, has never forgotten his first love. Nor has he ever gotten over her. But now thirteen years later, time has come for him to finally settle down and do his duty as far as both his title and his dragon of a mother are concerned. Everything would be so much easier if Chet's heart didn't still belong to the enchanting Scot he gave it to once upon a time. After following her late-husband's regiment from one end of the continent to the other, Lady Hannah Campbell returns to London a very different woman than the naive lass she once was. With her two sons in tow, she now has to navigate the waters of the ton, which seem more foreign than the lands she has traversed the last dozen years. And all the while, she has to keep hidden the scandalous secret that made her flee England so very ago.

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It's been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

A brand new eBook with a new perspective. Better than never, though I am quite late in starting reading this one. I found out this eBook from my dad and I advised this publication to find out.
