Before You Turn 35: How to Live Your Life Before You Turn 35?the Secret to Success Is How to Live Before You Die

By MR Fanuel Lewis Oweke

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the cradle to the grave, the mad rush we are all in should be punctuated by pivotal moments to stop and reflect on the salient things of life at key milestone ages: thirty-five years is one such age. Before turning 35, a man worth his salt should have achieved most if not all of the things elucidated in this book. The author's bare-knuckles approach is pragmatic and incisive. Fanuel plumbs the depths of places where angels dare tread. He explores the validity of taboos and dogmas; shattering most of them. The reader will pick some real gems from this book. I particularly liked the idea of building your own home before starting a family. Good parental responsibility is a rare virtue nowadays yet it is one of the best ways to bequeath a grand legacy to the next generation and ensure survival of the human species in a progressively better world to live in. Siring children comes with enormous responsibility which is a privilege to bear. Procreation is the climax of a biological existence...
