WALKING BEFORE DAWN (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In every small town across the world, stories exist of strange creatures surviving in the dark corners of the abyss waiting to be discovered. Are they real? For some people, these shadows take on many different faces within the dark corridor of their minds. Yet, within this darkness, there is a light that can be found, and possibly even a story that can ascend when viewed through a dramatic eye. While some of these visions are obscure and foreboding, these tales can also take on a life full of brightness and joy. In Walking Before Dawn, the passages of despair are opened to expose the soul of the abyss and see the beauty, pain, and desires that endure in the unseen world.
