The University of North Carolina Press. Paperback. Condition: New. 560 pages. History is being made in U. S. -Cuban relations. Now updated to tell the story behind the stunning December 17, 2014, announcement by President Obama and President Castro of their move to restore full diplomatic relations, this powerful book is essential to understanding ongoing efforts towards normalization. Challenging the conventional wisdom of perpetual conflict and aggression between the United States and Cuba since 1959, Back Channel to Cuba chronicles a surprising, untold history of bilateral efforts toward rapprochement and reconciliation. William M. LeoGrande and Peter Kornbluh here present a remarkably new and relevant account, describing how, despite the intense political clamor surrounding efforts to improve relations with Havana, negotiations have been conducted by every presidential administration since Eisenhower through secret, back-channel diplomacy. From John F. Kennedys offering of an olive branch to Fidel Castro after the missile crisis, to Henry Kissingers top secret quest for normalization, to Barack Obamas promise of a new approach, LeoGrande and Kornbluh uncovered hundreds of formerly secret U. S. documents and conducted interviews with dozens of negotiators, intermediaries, and policy makers, including Fidel Castro and Jimmy Carter. They reveal a fifty-year record of dialogue and negotiations, both open and furtive, that provides the historical foundation for the dramatic breakthrough in U. S. -Cuba ties. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
