Schiffer Publishing Ltd, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Fashion dolls flaunted the best in clothing designs, and this book explores the flashiest era. Barbie*, Chrissy, and Dawn-size dolls were outfitted with colorful haute couture creations hot off the runways of Paris, from the last vestiges of the mod scene to the early 80s new wave gear. Toy manufacturers mimicked the day's top designers to create outrageous, fun outfits. Shown in pristine condition, in unopened original packaging, this book is a gem for collectors and designers alike. More than 400 outfits are shown, many for the first time in any book. Each is stunningly photographed, and includes current market values for collectors.
