Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Everest: Reflections from the Top, Christine Gee, Garry Weare, Margaret Gee, On 29 May 1953, Edmund Hillary and Tenzing Norgay were the first ever to set foot on the highest point on earth: the summit of Everest. It was a magical moment. Since then many men and women have striven to reach the top of this awesome mountain, which can be at once beautiful and mystical, unpredictable and highly dangerous, never straightforward and always incredibly tough. In this timely and remarkable book, published to celebrate the sixtieth anniversary of the original ascent, mountaineers from all round the world tell what motivated them to make their own summit bids. They highlight how it felt to reach the top and the impact it made on them, ranging from practical comments to spiritual reflections, to philosophical statements on the future of our planet, including contributions from climbers such as: Chris Bonington, Alan Hinkes, Eric Simonson, Reinhold Messner, Jamling Tenzing Norgay, Bear Grylls, Greg Mortimer, Junko Tabei, Peter Hillary, Doug Scott and Stephen Venables. Not only is this a fascinating and insightful collection to mark more than half a century of the highest adventure, it is also an inspiration to any one of us when we contemplate heroic achievements of our own - whatever they may be.
