Just Over the Horizon (Paperback)

By Greg Bear

Open Road Media, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The New York Times Book Review hails this collection of thirteen dazzling stories and a rare screenplay by Hugo and Nebula Award-winning author Greg Bear as a solid introduction to the oeuvre of a classic writer. Greg Bear-author of Queen of Angels, Eon, and Hull Zero Three, among many other hugely popular novels-has an ability to transform challenging scientific concepts into gripping fiction that has won him numerous awards and an avid following. He has written novels about interstellar war, human evolution, intelligent bacteria, international terrorism, and the exploration of deep space-but he doesn't stop there. This brilliant collection of Bear's stories, each newly revised by the author, proves he is a master of the short form as well. Just Over the Horizon offers thirteen mind-bending explorations of the near future . . . or just beyond the border of conventional reality. The volume includes: * Blood Music, a Hugo and Nebula award-winning classic and the basis for the novel of the same name-and the first science-fictional exploration of nanotechnology; * Sisters, in which high school students find maturity and family by confronting...
