Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It's Christmas Eve, 1991 - the height of the console wars. Buster Benjamin calls out sick from the video game store, but his boss tells him if he doesn't come in, he's fired. Crawling out of his sick bed, he falls into a world of crime, drugs, and assassination. He's trying to get to work and running for his life. Sick Day: The Legend of Buster Benjamin is an adventure-comedy, a romp through old school video games, action movies, and gangsta rap. Don't hate the player. Hate the game. NOTE: This is the mature version of the book. It is a bit more hardcore than the T for Teen edition.
