A Romance-Suspense-Thriller, No super hero, Steve s a typical guy in a tough situation. His women all have agendas? Which one is right for him? Being accused of an arson he didn t commit that soon escalades into espionage, when company hard drives are missing; Steve like any strong willed red blooded American boy, parks his classic car in the garage, loads up his pickup and goes on a hunting vacation. A perfect hunt composed of beautiful weather, stunning landscape and a mind wandering amongst the girls and lost in daydreams, is shot up, burnt down and destroyed by helicopters, storms and deaths. It s a nightmare but no authorities are notified. Are they, the helicopter guys, coming after him? Is Janet ever going to believe his story? Did he really fall in love with Millie in thirty minutes at a grocery store? Why does Lindsay grab him out of a college classroom and take him home? Second Novel; available by December 24th - The Adventures of Steve Holmes and Millie Prescott, continues Steve s nightmare. But Millie? Who s she? Can she solve Steve s mystery when he just can t tell her the whole truth? I m a new author who has found a subject of great intensity and magnitude. This passion to bring to life these characters for the purpose of entertainment and to visit a not so easy a topic, is overpowering at times. As a new author it is the Readers who decide. Lets have at it and see where it goes.
