By Brett Blair

CSS Publishing Company. Paperback. Book Condition: New. Perfect Paperback. 228 pages. Dimensions: 8.3in. x 6.0in. x 0.7in. Anyone who has done childrens sermons will sooner or later hear from someone that I learn more from the childrens sermon than I do from the real sermon. And indeed, the truths of scripture are so simple that even a child can understand them. So its no accident that childrens sermons have become a central part of the worship service in many churches. Brett Blair and Tim Carpenter offer a years worth of object lessons that engage children and impart profound lessons for all ages. Two sermons are provided for each Sunday in Cycle C of the Revised Common Lectionary, one based on the Second Lesson and one based on the Gospel. The messages are structured in two parts: the lesson uses an object to draw out active responses from children, then the application connects that object to the assigned scripture reading. Each message includes a clear statement of its exegetical aim. Bright, innovative, perceptive, creative, grace-filled Brett Blair and Tim Carpenter are all of those and much, much more, and that is reflected beautifully in their new book Childrens Sermons A To Z....
