Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Free To Be Me is a tribute to all the Seekers that have nurtured my belief that we are all one. Each poem meditates on an aspect of being human and wanting non-other than to share in the possibility, that we can look upon the face of God, and see our reflection. In this collection of poetry, which I have written over the years, I only have the words to repeat what the universe has whispered in my ear, spoken with a virtuous breath not my own, for I borrow all that I am from all that has been and is. In the title poem I offer this book as a gift to bring the reader the peace of mind that comes from believing in yourself, and finding the way, to finally say I m free to be me.
