Xulon Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you wondering, what is your divine destiny? What is your purpose in life? Why are you here and what directions you should take? Then this book will inspire you to seek answers that ponder your mind, heart, spirit, and soul. It is going to take you on a spiritual quest that reveals truth and godly wisdom. Dealing with spiritual matters and matters of the heart requires intense meditation, prayer, faith, obedience, truth, and guidance. Sometimes God answers by revealing His instructions to us in an unordinary or mysterious form. My quest for answers was revealed through dreams, visions, and insight. The Christian upbringing I had, along with faith to seek and wait for answers, became a major turning point in my life. All this aspiration was a result of a choice I made, shortly after moving to Atlanta, Georgia in 2010. This geographical area was appointed by God when He called me to do a work here over twenty years ago. Not having a clue what was about to take place, led me to personal growth and spiritual maturity through several uneventful situations that was unexpected. This book will enrich your life to keep striving when life throws you a curve ball. I pray you are blessed in your quest to seek solutions to questions that linger heavy on your heart, mind, spirit, and soul. BE BLESSED.
