Reviews

Definitely one of the best book I actually have ever go through. Sure, it can be perform, nonetheless an amazing and interesting literature. I found out this pdf from my dad and i suggested this book to discover.
(Ms. Chanel Streich)

THE DANGEROUS TYPE: IN THE WAKE OF THE TEMPLARS BOOK ONE

NIGHT SHADE BOOKS, United States, 2015. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Set in the wake of a galaxy wide war and the destruction of a human empire, The Dangerous Type follows the awakening of one of the galaxies most dangerous assassins and her quest for vengeance. Entombed for twenty years, Reana has been found and released. Thallian has been on the lam for the last fifteen years; a wanted war criminal whose entire family has been hunted down and murdered for their role in the galaxy wide genocide of the Templars. His name is the first on Reana's list, as he's the one that enslaved her, made her his assassin, and ultimately put her in a tomb. But Thallian is willing to risk everything—including his army of cloned sons—to capture her. Now it's a race to see who kills who first. Alternatively, Gaven has spent the last twenty years trying to forget about Reana, who he once saved and then lost to the clutches of Thallian. Reana's adopted sister, Ariel, has been running from the truth: the one about Reana, about her and Gavin, and doesn't know if she'll be able to face either of them. The Dangerous Type, a mix of military science fiction and an adventurous space opera that grabs you from the first pages and doesn't let go. Along with a supporting cast of smugglers, black market doctors, and other ner-do-wells sprawled across a galaxy brimming with alien life, The Dangerous Type is a fantastic beginning to Loren Roads' epic trilogy. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF,...
