Reviews

This book is definitely worth buying. This really is for all who statte there had not been a worthy of studying. You will not sense monotony at at any moment of the time (that's what catalogs are for concerning should you check with me).
(Mr. Martin Baumbach)

VIRALS (HARDBACK)

Turtleback Books, 2011. Hardback. Condition: New. Turtleback School Library ed.. Language: English . Brand New Book. Tory Brennan, niece of acclaimed forensic anthropologist Temperance Brennan (of the Bones novels and hit TV show), is the leader of a ragtag band of teenage sci-philes who live on a secluded island off the coast of South Carolina. When the group rescues a dog caged for medical testing on a nearby island, they are exposed to an experimental strain of canine parvovirus that changes their lives forever. As the friends discover their heightened senses and animal-quick reflexes, they must combine their scientific curiosity with their newfound physical gifts to solve a cold-case murder that has suddenly become very hot-if they can stay alive long enough to catch the killer's scent. Fortunately, they are now more than friends: They are a pack. They are Virals.
