Why Me God is a book that addresses the most basic, common human experiences and feelings shared by all humans who are now living and all who lived before us. This is the place of our deepest levels of physical, emotional, or spiritual pain brought on by events and people that have suddenly turned your world upside down. When you are in this place, many questions race through your mind. Why is this happening to me What did I do to deserve this How will I ever get through it Why did God allow this to come into my life This book takes a real world look at all of these questions and suggests new ways of looking at these dragons that threaten to consume you and how to come out the other side of your dark night even stronger than you were before. The book is written in a very personal, conversational style and the author addresses the reader as if they were sitting across from each other at the kitchen table having a cup of coffee. The author also shares challenging personal experiences from his own life and how he survived and eventually thrived after coming out on the other side. Why Me God is an unusual and insightful book that offers some new ways of looking at our experiences and the spiritual questions surrounding them and speaks to you in a very intimate way from an author that has been there and has battled his Dragons on many occasions. Come. . . let us talk. This item ships from La Vergne, TN. Paperback.
