Broadstreet Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The movie God s Not Dead gave us a front row seat to the one-on-one debate regarding the existence of God between atheist Professor Radisson and Christian university student Josh Wheaton. Now in God s Not Dead 2 the stakes are much higher than a college course as high school history teacher Grace Wesley becomes the pawn in an epic court case that has the potential to cripple free speech rights for Christians. An innocent question regarding Jesus from a student ignites a firestorm on faith from Grace s accurate answer. The God s Not Dead 2 Devotional book digs deeper into the cultural questions of civil disobedience and religious freedom, coupled with the sovereignty of God and the Biblical heroes who have travelled this road before us. This 40-day journey will inspire, motivate, and challenge you to not only grow closer to God, but also deepen your roots to stand strong in the storms that life will surely bring. And once again, we shall see-God is not dead-He s surely alive.
